

Oregon Community Trees (OCT) is a 501(c)3 non-profit organization with a mission to promote healthy urban and community forests through leadership, education, awareness and advocacy across the state. Our directors include arborists, urban planners, community activists, foresters and nurserymen. We assist community groups, schools, local governments, and the Oregon Department of Forestry with our expertise and limited resources. OCT has no paid staff and relies on the generosity of sponsors to accomplish our mission. Your tax deductible donation will support the OCT mission and community forests throughout Oregon.
